BARRHILL DEVELOPMENT TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2026

The trustees present their annual report and financial statements for the year ended 31 March 2026.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's constitution the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The objectives of the charity are as follows;

- To relieve the poverty and needs of the elderly and disadvantaged people in Barrhill.
- The advancement of citizenship or community development, by supporting and developing community development projects, including the advancement of rural affordable housing, rural regeneration and advancement of first-class community facilities and activities
- The advancement of arts, heritage, culture and science, in particular the history and heritage of Barrhill and surrounding area, including the Pilgrim's Trail and the Martyrs Tomb and other heritage assets, and community arts projects, including youth arts.
- The provision of recreational and social activities and the organisation of recreational activities, by supporting a wide range of recreational activities for the broader community, who suffer from a lack of opportunity to engage in recreational activities due to the isolated area in which they live.
- The advancement of environmental protection and improvement, by supporting community initiatives which promote energy conservation and the introduction of renewable energy projects which reduce carbon emissions and create sustainable energy sources in the Barrhill area, and by supporting and developing recycling initiatives in the area.

Public benefit

The trustees have referred to the guidance contained in the Office of the Scottish Charity Regulator's general guidance on public benefit when reviewing their objectives and in planning their future activities. In particular, the trustees consider how planned activities will contribute to the objectives they have set.

Achievements and performance

Significant activities and achievements against objectives

The main achievement is the completion of the renovation of the Crosswater. The Crosswater has been furnished to the specification of the tenants and opened on 20th March 2026 - 6 years after it was purchased by the BDT.

Over the past year the use of the hall has increased with more events now taking place thanks to the work of the Entertainments Group. Pickleball, Chair based exercise classes, Indoor bowls all started last year have continued through this year. Indoor bowls evening session was started this year. The previous existing activities continue to be well supported. This has had a knock on effect of increasing the hours needed of the caretaking team.

With the equipment in the playpark now over 10 years old it's maintenance requirements are increasing. We will have to make a decision as to whether we keep repairing equipment or replace with new.

Financial review

The Statement of Financial Activities show total income of £238,539 (2025: £262,536) and total expenditure of £203,106 (2025: £155,462) which results in a net surplus of £35,433 (2025: £107,074.) Unrestricted reserves stand at £395,450 (2025: £404,419) and restricted reserves stand at £230,975 (2025: £186,574).

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to meet its future obligations. However the charity acknowledges that its day to day operations are actually funded by restricted grants from Barrhill CIC. The trustees therefore consider that an adequate level of unrestricted reserves has been maintained throughout the year. The trustees therefore consider the charity a going concern.

Plans for future periods

At the last AGM the constitution was changed to bring the number of trustees required to be four however the quorate number remains the same (also 4). This does mean that the board must all be in attendance for any meeting to be quorate. We are still trying to find more members to join the board to help carry the load. The current board members are very committed to their roles which means that BDT board is now much more resilient and given the continued support from windfarm benefit funds should go forward with a greater optimism. The pub renovation project that caused so many funding problems is now complete and a tenant is in place. There is still some work on the grounds that needs finishing. We continue to maintain the Bowling green, Car park, Arnsheen Park and the Public Toilets. We also provide grass cutting for those in the village who are unable to do it themselves.

We are actively seeking more Trustees to join the board particularly ones that are younger and who will be in place to take us forward in the future. All the current Trustees are well over retirements age as we are the ones who have the time spare to operate the BDT but this is a far from ideal situation. We are all of the same generation and our ideas are formed by that. Younger trustees could bring a more varied viewpoint to the board. As the Administrator continues to gain experience more of the day to day tasks no longer require Trustees attention which should make the Trustees roll more attractive.

Structure, governance and management

Barrhill Development Trust is a Scottish Charitable Incorporated Organisation. It is governed by its constitution and commenced trading on 25 March 2019.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 MARCH 2026

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

BARRHILL DEVELOPMENT TRUST

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF BARRHILL DEVELOPMENT TRUST

I report on the financial statements of the charity for the year ended 31 March 2026, which are set out on pages 7 to 20.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1)(a)-(c) of the Charities Accounts (Scotland) Regulations 2006 does not apply.

It is my responsibility to examine the financial statements as required under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

Since the charity has prepared its financial statements on an accruals basis and is also registered in Scotland, the independent examiner must be a member of a body listed in Regulation 11(2) of the Charities Accounts (Scotland) Regulations 2006. I confirm that I am qualified to undertake the examination because I am a member of Chartered Accountants Ireland, which is one of the listed bodies.

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 44(1)(a) of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 4 of the Charities Accounts (Scotland) Regulations 2006, and
- to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the Charities Accounts (Scotland) Regulations 2006

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2026

1 Accounting policies

Charity information

Barrhill Development Trust is a Scottish Charitable Incorporated Organisation. It is governed by its constitution and commenced trading on 25 March 2019..

1.1 Basis of preparation

The financial statements have been prepared in accordance with the charity's governing document, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a statement of cash flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

BARRHILL DEVELOPMENT TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2026

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	at varying rates on cost
Plant and equipment	25% on cost

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

BARRHILL DEVELOPMENT TRUST**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)****FOR THE YEAR ENDED 31 MARCH 2026****1 Accounting policies****(Continued)*****Basic financial liabilities***

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

20 Related party transactions

During the year to 31/03/2026 the Trust received grants of £232,822 (2025: £224,095) from Barrhill Community Interest Company. During this period, some of the family members of the directors of Barrhill Community Interest Company were also the trustees of Barrhill Development Trust.

In January 2023 Barrhill Community Hub Trading Ltd was incorporated with the sole shareholder being Barrhill Development Trust with 1 share with a nominal value of £253,424. The nominal value in retrospect was an error. In March 2024 the charity took the decision that it did not require the trading company and consequently it was removed from the register at Companies House in July 2025. The charity has therefore adopted a substance over form accounting basis for this investment, and have therefore accounted for it as if it had never occurred.

21 Ultimate Controlling Party

In the opinion of the trustees there is no ultimate controlling party.
